Indoor Training (Venue, Dates, Times and Costs)

The selection trials will be held at the Gillespie Sports Indoor Cricket Centre at 375 Cross Road, EDWARDSTOWN.

IMPORTANT: Due to COVID-19 restrictions, only one parent per child is requested to attend the trials. After signing in your son, parents are required to proceed upstairs for a welcome and briefing from the Junior Coordinator and remain upstairs for the trials (or you can wait in your car). Parents will be unable to watch the trials. The GDCC is complying with the “Get in, Get out” direction from the SA Government and you are asked to comply with any directions provided either by the staff from Gillespie Sports or GDCC Junior Committee members. Your cooperation is greatly appreciated.

Training Uniforms and Equipment

Players are to bring their own cricket gear, wear their current official club training uniform or school/club white playing top. If these are not available to you, a plain white t-shirt is acceptable. Black/dark shorts are also required and please bring a drink.

IMPORTANT NOTE: *Representative gear SAPSASA, SAMCA etc., Cricket Australia or SACA merchandise is not to be worn.* Once selected, players may not wear other Premier Club uniforms to training.

Dates and Session Times

Please refer to the timetable below detailing session dates, times and age groups. **The session on Thursday 23 July 2020 is an “Orientation Selection Session” for NEW PLAYERS TO THE CLUB ONLY.** This gives the new players an opportunity to get to know the coaches and feel comfortable before the rest of the selection trials.

ESTABLISHED PLAYERS PLEASE NOTE: *This year we are also asking our U14 players who are transitioning to the U16s to attend on this night also.*

There will also be a short information/introduction presentation to new parents, once the players are signed in and have started. All parents/carers are encouraged to attend if possible.

Competitions, Squads and Training

SACA Premier Cricket U14 and U16

GDCC fields four teams for the SACA Premier Cricket junior competitions. Successful applicants are selected to form squads for each age group. From these squads, pre-season training and trial games will inform further selection in to the Red and White divisions based on team balance, player skill set and maturity. It is expected that as the season progresses, players will move between the divisions from time to time, as illness, school and state selections etc. effect player availability. The Club strongly encourages this movement of players and is an integral part of player development. Players train twice a week. Days to be confirmed.

Ray Sutton Shield (Primary School)

Players must be attending primary school in 2020 to be eligible for selection in this mini-season competition held over October-November. Games are held over one day and are played on Sunday afternoons for the first 5 weeks of the season there is an extra week for the Final. **Trialling for this squad will be by invitation only.** Generally, the squad is selected from age eligible player's trialling for the U14 squads and some in the Academy.

Glenelg Junior Cricket Academy - SACA U12 Shield

This development squad will comprise up to 15 players and is seen as an integral entry point to the GDCC Junior's program. Traditionally, 12 players from this squad have been selected to represent Glenelg in the SACA SA Bank under 12 Shield, a four-day competition usually held during the first week of the end of year holidays in December and is their first taste of 'Real Cricket'.

Due to COVID-19 and funding issues, the U12 Shield competition may not be held in 2020. This decision is likely to be made in the months before the start of the 2020 season. If this occurs, much like 2019 when the tournament was cancelled due to heat, the GDCC will endeavour to continue training weekly and developmental/training games will be held instead against Academies of nearby cricket clubs.

SACA U17 Shield

This prestigious competition is held over one week on consecutive weekdays in January. It forms part of the transition process of our older U16s to the senior competitions. The team is blended from juniors and senior players who are still U17 at the 1st of September. Success in this competition is seen as one of the measures of the Club's "health". Glenelg have won the past two Tournaments. **Trialling for this squad will be by invitation only.**

Announcement of Squads

All squads will be finalised at the completion of the indoor selection trials and then communicated to parents/players on the club's website www.gdcc.net.au/juniors.html by Wednesday, 19 August 2019. Emails will be sent to the unsuccessful applicants in the first instance. After this process, the selected squads will be published on the Club website.

Other Considerations

Where appropriate there may be opportunities for age eligible players to cross between competitions. For example, an established U14 player may be young enough to play in the U12 Shield. Likewise, we also encourage and promote the opportunity for our Chappell-Whitty Academy players to come to Adelaide to compete with our teams.

One of the most vital considerations for players who are not selected is not to worry that you may have missed out. There are many reasons why some players are not selected. The coaches will give you feedback and some ideas on what you need to do for the future. Most importantly, keep playing and practising. Play ideally for a community club and your school, in your back yard, at the beach, wherever you can...just keep playing. Of course, the coaching coordinators will welcome the opportunity to discuss any issues further.

Some things to consider if you are selected

The following information is a guide to what will happen for all selected players as the preseason progresses. More detailed information in the Players Handbook will be made available later.

Transition to Season Training Outdoor Training (Venue, Dates and Session Times)

In mid-September training will switch to outdoors at a venue to be confirmed. Players will still need to bring their own cricket gear, wear club training uniform and cap/hat and bring a drink. Further dates and times will be confirmed in the Player's handbook.

Pre-Season Trial Games

Pre-season trial games may be held in September and early October. It is important that players are available to play in the organised trial games as the Red/White selections will be based on trial game performance, training form and attendance, and overall behaviour and attitude. Dates and times to be advised.

Season Launch

A special Junior Cricket Season launch function will be held at the GDCC clubrooms in the leadup to the season. At this event, the squads are announced, and other pre-season formalities are held. Tentatively this event will be held from 7pm on Friday, 16 October 2020 but will be confirmed closer to the date.

IMPORTANT NOTE: The season launch evening will also include the Trophy Presentation for the 2019/20 season, which was unable to be held earlier in the year due to COVID-19.

Uniform

Order forms will be available for collection during cricket trials and there will be a limited opportunity for prospective players to check sizing before or after trials (this will be subject to potential limits on numbers of people in the venue due to COVID-19 restrictions). The Gillespie Centre is also open six days a week (not Sundays) and you can pop in to try on the uniform when it is convenient for you.

Once the squads have been announced by Wednesday, August 19, all uniform orders will need to be submitted to the club by Wednesday, August 26. Orders will not be accepted after this date. The order form can be scanned and emailed to us at: gdccjuniors@gmail.com

The method for payment is still being finalised and this information will be available on the Club's website: www.gdcc.net.au by Friday, August 7.

IMPORTANT NOTE: Existing TNF branded apparel can still be worn for the 2020/21 season.

Helmet Colour/s: YELLOW or WHITE Only

For Glenelg players playing in the SACA Grade U14s and U16s competitions your helmet colour must be **YELLOW** (the club's nominated colour) or **WHITE** (neutral colour). This is a non-negotiable due to SACA guidelines. 'Squid Lids' might be useful if you only want to purchase one helmet for the season.

It is a SACA requirement that all helmets conform to the Cricket Australia and ICC recommended British Standards BS: 7928:2013. Please check these details with your supplier.

Player and Parent Code of Conduct

Players, parents and coaches/officials are all required to adhere to the club's formal "Code of Conduct" as well as Cricket Australia's "Spirit of Cricket" www.cricketaustralia.com.au/about/mission-and-values/spirit-of-cricket . This includes a social media use policy.

Behaviour on field is pivotal to the player's successful engagement to play in 'the Glenelg Way'. The Club has a zero-tolerance policy towards vilification or discrimination of any person based on gender, religion, culture, sexual orientation or abilities etc. Players who indulge in this behaviour will face disciplinary action and will be asked to leave the club or sent back to their community club until such behaviour has been rectified. Glenelg players DO NOT "SLEDGE!" Sledging brings the game and the Clubs reputation into disrepute and the umpires are asked by the Club to warn players if this behaviour presents in any circumstance and report it to any team official. These expectations are also extended to parents and other club supporters.

The GDCC encourages fair play, praise where appropriate and encouragement in times of struggle, acceptance of other's mistakes, acceptance of personal shortcomings, positively celebrate all achievements and to play the game 'In the Spirit of Cricket'.

The GDCC relies on an extensive network of volunteers for game day support. This is an integral requirement of parental engagement. Coaches are not expected to co-ordinate pre or post game activities, their job is to coach. However, they will provide advice and general direction. Parent/family involvement includes scoring (a roster will be used); provision of afternoon tea (U14, U16 and RSS only) which are supplied by the 'home' team and are always of a high standard. Parents also run ground set up and break down and help tidy at the close of play. There are also many opportunities for engagement with the Club in other activities which will present themselves as the season progresses.

Junior Cricket Committee – Squads/Sides Require Representation (Volunteers Needed)

The junior committee is an important part of the effective running of the juniors' teams and plays a pivotal role in many of the decisions around competition management. Parents are encouraged to speak to the Junior Co-coordinator if they are interested in getting involved. Roles that committee members undertake include: Secretary, Finance Officer, My-Cricket administrator, Scorer Roster, Child Safety Officer Etc. The committee meets once a month in the clubrooms from July to March.

PICKING UP AND DROPPING OFF CHILDREN

Our commitment

Our club is committed to providing a safe environment for the participation of children and young people. Part of this is ensuring that children and young people are not left alone after practice or games.

What we will do

Make sure parents / guardians and children know the time and location of practice and games and when they can expect to collect their children.

Request coaches and other sporting personnel to arrive before scheduled practice or game times.

Give coaches a register of parent/guardian emergency contact numbers and make sure they have access to a phone.

Ensure that if parents / guardians are late:

- ask the second to last child and their parent / guardian to wait with the coach / official and the child
- get parents / guardians to collect their children from the oval area or club rooms
- avoid transporting children to their homes unless permission has been given by parents / guardians and;
- As a last resort coaches will try and contact the parent / guardian.

What we ask you to do

Pick your children up on time or make other arrangements.

Regardless of age pick up your children from the oval area or club rooms, *not from a street location*.

Inform the coach about any changes in arrangements for picking up your child.

It is your responsibility to be at the ground by the end of play – our games are generally live scored on the MY Cricket Live Score app, so parents can work out an anticipated time for the end of the game.

I, _____ have read and understood the policy and will abide by it as a parent / guardian of the Glenelg District Cricket Club.
